

# **Axis Motor Corporation**

## ***Axis Patent Portfolio:***

Axis Motor Corporation is a USA zero-emission propulsion systems manufacturer that designs, develops and manufactures automotive, industrial, military & aircraft hydrogen powered engines; Axis design innovation is protected by global patents, listed below:

**GB2411454.8 – Axis Combustion Electric Propulsion System**

**GB2413513.9 – Axial Opposed Piston Engine**

**GB2413782.0 – Axis Opposed Piston Engine Lubrication System**

**GB2415896.6 – Axis 2-Cycle engine**

**GB2500270.0 - Axis Hybrid Combustion-Electromagnetic Drivetrain**

**GB2501091.9 – Axis High-Pressure Hydrogen Direct Injection System**

***Axis – Powering The World***
